

THE CLAY CITY TIMES.

50 Cents a Year in Advance.

We are here to help Clay City, the Surrounding Country and Ourselves.

J. E. Burgher, Publisher.

VOL. 8.

CLAY CITY, KY., THURSDAY, DECEMBER 10, 1903.

NO. 50.

Beckham's Inauguration.

Before one of the largest crowds ever gathered at Frankfort, John Crepps Wickliffe Beckham for the third time took the oath of office as Governor of Kentucky Tuesday. The inaugural ceremonies were preceded by an immense parade, participated in by over a thousand State troops, picked bodies of Louisville police and firemen, State officers and civilians from all parts of the State. The City of Frankfort never before wore such profuse decorations.

Col. William P. Thorne was also inducted into the office of Lieutenant Governor.

The Fatal Game.

The humane educators should visit some of our leading christian colleges and try their hand on them. They indorse and encourage the fatal game of football, the season for which has just closed, resulting in the death of sixteen young men and the crippling of an hundred or more, while others are insane from injuries received. We have known ministers to condemn the game of base ball and encourage that of football, while the latter is ten times more brutal.

Philip Hagan, a well-to-do farmer of Daviess county, while returning home from Owensboro, was waylaid, assaulted and beaten into unconsciousness by two unknown negroes.

Exchange in Clay City.

Clay City now has a strictly up-to-date telephone exchange with a very creditable list of subscribers to start with. The new system works very satisfactory, and is another mark of enterprise for our thriving little city. When you wish to speak to the Times man ring up no 1, that's our number.

Packing House at Louisville.

The Kentucky Packing and Provision Company has been incorporated at Louisville with a capital stock of \$250,000. A large packing plant will be placed in Louisville and branches will be established in other Kentucky towns. Louisville, Chicago, Pittsburg and Liverpool capital is back of the project.

A Missouri orator is said to have gotten off the following: "We live in a land of high mountains and high taxes; low valleys and low wages; big crooked rivers and big crooked statesmen; big lakes; big strikes; big drinks; big pumpkins; big men with pumpkin heads, silver streams gambol in the mountains and pious politicians that gamble in the night, fast young men and faster girl; sharp fanciers and sharp toed shoes; fertile plains that lie like a sheet of water and thousands of newspapers that lie like thunder.—Ex.

Dr. B. R. Smith and Bill Hart-

well, of Clay City, visited Dr. Fred Bakes at Rittenhouse Ranch from Thursday until Monday. Courtney McGuire, of Clay City, a disciple of Esculapius in embryo, was the guest of his aunt, Mrs. John M. Rose, from Thursday until Monday.—Hazel Green Herald.

Irvine Items.

[Irvine Herald.]

Everett Snowden is very low with pneumonia.

Mr. and Mrs. V. P. Smith, of Somerset, are visiting relatives in Irvine this week.

Robt. Blackburn, our Representative elect came in on the Beattyville train yesterday.

Thos. C. Vaughn, formerly one of our citizens, now residing at Mt. Sterling, was in Irvine Monday and Tuesday.

Joe Oldham passed through town Monday with a fine bunch of about forty head of cattle which he had collected on Miller's creek.

A. M. Durbin returned yesterday from Tennessee, where he was recently summoned on account of illness of his son, Ulysses, who is working on a railroad near Knoxville.

The marriage of Thos. A. King, of Louisville, and Miss Annie J. Wagers, of this place, was announced on Thanksgiving. They were married in Nashville, Tenn. Nov. 6, 1902, and the secret was not disclosed until last Thursday. Mrs. King is the daughter of Mrs. R. P. Wagers. The groom is a railroad contractor.

Littlepage and Son, the druggists, have just received a full supply of all kinds of almanacs for the year of 1904. Call and get a supply for your home.

A Costly Mistake.

Blunders are sometimes very expensive. Occasionally life itself is the price of a mistake, but you'll never be wrong if you take Dr. King's New Life Pills for Dyspepsia, Dizziness, Headache, Liver or Bowel troubles. They are gentle yet thorough. 25c, at Swann-Day Lumber Co's store.

Revolution Imminent.

A sure sign of approaching revolt and serious trouble in your system is nervousness, sleeplessness, or stomach upsets. Electric Bitters will quickly dismember the troublesome causes. It never fails to tone the stomach, regulate the Kidney's and Bowels, stimulate the Liver, and clarify the blood. Run down systems benefit particularly and all the usual attending aches vanish under its searching and thorough effectiveness. Electric Bitters is only 50c, and that is returned if it don't give perfect satisfaction. Guaranteed by Swann-Day Lbr. Co.

Will Not Rebuild.

The Swann-Day Lumber Company will not rebuild the saw mill burned at Natural Bridge some few weeks ago. The logs will be shipped to the mill at this place and manufactured into lumber. This will make longer runs for the mill here and be some help for Clay City.

Fight Will Be Bitter.

Those who will persist in closing their ears against the continual recommendation of Dr. King's New Discovery for Consumption, will have a long and bitter fight with their troubles, if not ended earlier by fatal termination. Read what T. R. Beall, of Beall, Miss., has to say: "Last fall my wife had every symptom of consumption. She took Dr. King's New Discovery after everything else had failed. Improvement came at once and four bottles entirely cured her. Guaranteed by Swann-Day Lbr. Co's. Price 50c, and \$1.00. Trial bottles free.

Double Killing.

What is probably a double killing, is reported from Athol. One day first of the week, a man named Palmer, at a blind tiger, near Athol, shot Shelby Kilbourn in the head inflicting what is probable a fatal wound. A brother-in-law of Kilbourn, named Brandenburg, being present, shot Palmer, killing him instantly. The cause of the trouble could not be learned, farther than that Palmer was drunk; the report fails to state whether the other parties were intoxicated or not. Latest reports state that Kilbourn is dying. Though the fight took place in Breathitt, all the parties engaged in it were citizens of Lee county.—Jackson Hustler.

A Frightened Horse.

Running like mad down the street dumping the occupants, or a hundred other accidents, are every day occurrences. It behooves everybody to have a reliable Salve handy and there's none as good as Bucklen's Arnica Salve. Burns, Cuts, Sores, Eczema and Piles, disappear quickly under its soothing effect. 25c, at Swann-Day Lbr. Co's store.

Farm For Sale.

Ninety acres of good land well improved, at Lilly's Ferry, one mile west of Spout Spring. Well watered, fine orchard, good dwelling of six rooms and all necessary outbuildings. Good neighborhood and other conveniences. Will sell at a bargain. ALLEN OSBORN, Spout Spring, Ky.

The Balance Wheel

Look inside your watch a moment. The balance wheel is making 18,000 vibrations an hour, if it's in good condition. If the movement is sluggish, there's something wrong. It will move 3,558 miles in a year, and requires less than one-tenth of a drop of oil to make it run. But it needs that little badly. The least degree of friction on the bearings alters the motion. Don't take chances. Let me clean and oil and put your watch in order for a year. It will pay and satisfy you.

Ahead in Flour?

Well, we should say so! So far ahead that our

Best Patent and Mountain Lily

have become standard brands. There are hundreds of flours to choose from, but the housewives know that MANSFIELD'S is the best. It is milled from the very best wheat on an up-to-date roller mill, run by water power. It is white and has the natural taste and flavor of the wheat berry. That is why we are ahead in flour.

Buy it from your grocer. No greater cost, but much greater value.

About Advertising.

Advertising is like a race horse—the man who drops out is soon lost sight of. It's a good deal like winking at a pretty girl in the dark—you may know what you are doing, but no one else does. Advertising is the life-blood of business. Every good ad is a stepping stone to success. Judicious advertising will start the ball rolling and kept it rolling. Continuous advertising creates confidence. The prevailing opinion is that one cannot be constantly before the public without being found out and know for what he is. The people believe in a man who can stand trial by the public. The business man who is contented with his business has stopped growing. The man who says he has enough, and therefore has no need to advertise, has reached the flood of the tide. But after the flood is the ebb, always. It is a law of nature that nothing shall stand in a state of rest. Everything grows or decays. No business can remain at a standstill for any considerable length of time. People who have not the business backbone to keep steadily at it until they've succeeded had best keep away from advertising. Otherwise they're liable to develop into those sorrowful specimens who occupy benches in the extreme rear where they mutter imprecations to the effect that "advertising doesn't pay."—Ex.

The Texas Chapter of the Daughters of the Confederacy have adopted the following resolutions:

Whereas the President of the United States, by his recent course toward the Republic of Panama, has shown to the world his in-dorsement of the principle of the right of secession, and

Whereas, the people of the Northern States, by their acceptance and approval of his course, have shown that have been led by him out of the fog of ignorance to the bright realms of truth, attained by the Southern statesmen so many years ago; be it

Resolved, That we extend to the President the hearty thanks of the Daughters of the Confederacy of the State of Texas in convention assembled, for his in-dorsement of the principles and his vindication of the cause for which the Southern people fought so gloriously, but so disastrously, in the war between the States; and be it

Resolved, further, That a copy of these resolutions be sent to the President by the corresponding secretary of the Texas State division, United Daughters of the Confederacy.

At Home Again.

The building occupied by the TIMES has been purchased by the publisher, and the paper will, in the future, be issued from its own home, as in days before the disastrous fire two years ago, when our office and another building belonging to the publisher was burned at Spout Spring, where the paper was then published. Our loss was total as we had no insurance, but we are glad to state that that loss has at least been partially recovered inasmuch that we are again able to be at home, notwithstanding the many drawbacks and hinderances we have had to overcome since moving to the town of our adoption. We are proud to now state that the TIMES is again on top with a substantial patronage.

The Harrodsburg Democrat favors the election of all State and county officers at the same time and last week had the following to say on the subject: Nominate and elect candidates at the same time and by the same ballot. It is easy and practicable, as the Democrat pointed out last week. It will do away with so many elections and so much strife and prove a blessing to the politics-ridden people of Kentucky. The Democratic party can do no greater thing than give the people relief along this line.

If Christians worked as faithfully and earnestly as politicians what a change for the better would be wrought in Kentucky in the next twelve months.

SPOUT SPRING.

Rev. Geo. W. McIntosh sold last week to Joe Oldham, of Madison county, 19 steers average weight 1,100 lbs., at 3½ cents, and 8 steers, average weight 900 lbs., at 3 cents.

Richard Barnett is out again after a long and severe siege with typhoid fever. At one time it will be remembered that five of Mr. Barnett's family were down with the dread disease, but through the careful treatment of Dr. Littlepage, they all are out once more.

Elder R. L. Brandenburg, of Rice Station, filled his stand at the Baptist church Saturday and Sunday. He delivered two good sermons on this occasion and agreed to supply for the church again in January, the first Saturday and Sunday of the month and of the new year.

Relatives of Jeff Wright have recently received letters from him stating that he has been down with a severe spell of pneumonia for some time, and that he is just now beginning to sit up again. Mr. Wright moved to Butler, Mo., where he now lives, last Spring and is finding the climate rather tough on him this winter.

Prof. Frank Edwards, the noted vocal and instrumental music teacher, has sold his farm at Rice Station and will move to Indian Territory with his family by the first of the new year. Prof. Edwards has a legion of friends in this county, all of whom recognize in him a model citizen who regret to lose him from our midst.

There's no place like the country,
To one who likes to see
The springing grass, the growing grain
The fruit upon the tree;
And it's just as fine in winter,
With its firesides snug and warm.
Oh, the city's ways are pleasant ways,
But there's nothing like the farm.

Daughter Had Frequent Spasms.

Dr. Miles' Nervine Cured Them Both.

Dr. Miles' Nervine is a specific for nervous disorders. It removes the cause and effects a speedy and permanent cure.

"I feel it my duty to let you know that your medicines have cured my little girl of nine, of spasms. She commenced having them at the age of three. Our family doctor said she would outgrow them but she did not. We took her to another physician who said her trouble was epileptic fits in a mild form. He did her no good either. She was so nervous she could hardly walk. As I had already used Dr. Miles' Nervine and found it a good remedy for myself I commenced giving it to my child. I gave her in all ten bottles of the Nervine and one of the Blood Purifier. That was over two years ago and she has not had an attack since we commenced the treatment. She is no longer troubled with nervousness and we consider her permanently cured. I enclose her picture. My mother-in-law lost her reason and was insane for three months from the effects of LaGrippe. Six bottles of Dr. Miles' Nervine cured her. My sister has also taken it for sick headache with good results. We all thank you very much for your good medicines and kind advice. I don't think there is any other medicine half so good. I send my daughter's photograph so that you may see what a sweet little girl lives out in Arkansas."—MRS. HANNAH BARKETT, Springdale, Ark.

Merchant W. G. Patrick, of Kimbrell, was here yesterday on business.

The beautiful winter weather mentioned in our last issue is still with us.

The Red River Valley Telephone Line will move their office from J. B. Eaton's store to the store of H. C. Warmouth.

W. E. Heflin and J. G. Vivion, two leading citizens from the western portion of the county, were here Friday transacting business.

Sam Carr's new residence has been completed this week and Sam moved into same yesterday. Sam now steps like he lived at home.

See notice of house and lot for sale in this issue. This is desirable property located in the eastern portion of town and should meet with ready sale.

The Clay City Cornet Band boys are getting along reasonably well in their practice, though but few spectators have yet ventured near the scene of practice.

We are still adding to our already large and varied line of Ladies and Misses Cloaks, and can make you some interesting prices.
Mrs. J. W. Williams.

A. P. Johnson, of Stanton, was down Monday. Mr. Johnson is thinking of buying property here and moving to our town and engage in some kind of business in the near future.

F. Lutes, the Singer sewing machine agent, who has been occupying the Methodist parsonage for some few months has moved to Stanton, and Chas. Ewen rented and moved into the house.

In looking about for Christmas presents, do not overlook the fact that we are headquarters for desirable articles, suitable for presents for both grown-up and little folks.
Mrs. J. W. Williams.

Marvin Wyatt, a printer in the Mt. Sterling Sentinel-Democrat office whose sudden disappearance was noted in our last issue, has written his parents from Chattanooga, Tenn., stating that he is still living and working there in a printing office.

Prof. Durrett White closed his school at Vaughn's Mill Friday. Prof. White is one of the best

qualified teachers in Eastern Kentucky, and has justly won the distinction of being a leading educator. He will not remain idle but a short while as there is a great demand for his services in the school room.

You should not fail to see our line of ready made Skirts before making your purchases; the material, workmanship, style, prices and assortments are right.

Mrs. J. W. Williams,
Clay City, Ky.

To improve the appetite and strengthen the digestion, try a few doses of Chamberlain's Stomach and Liver Tablets. Mr. J. H. Seitz, of Detroit, Mich., says, "They restored my appetite when impaired, relieved me of a bloated feeling and caused a pleasant and satisfactory movement of the bowels." There are people in this community who need just such a medicine. For sale by all dealers in patent medicine. Every box warranted.

Good Roads Yet.

Owing to the continued dry weather our roads are still solid, quite different to what is usually the case at this season of the year. The fall just past has afforded an excellent opportunity to put our highways in good condition for the winter and spring, and if the opportunity has not been made use of we will soon regret it for the wet and mud is now past due, and dead sure to soon be here.

Better Than a Plaster.

A piece of flannel dampened with Chamberlain's Pain Balm and bound on the affected parts, is better than a plaster for a lame back and for pains in the side or chest. Pain Balm has no superior as a liniment for the relief of deep seated, muscular and rheumatic pains. For sale by all dealers in patent medicine.

Ex-Powell Boy in Trouble.

In Winchester last Tuesday, Everett Burton, son of Frank Burton, who used to live in Clay City, shot and seriously wounded Thornton I. Wills. He was first locked up in jail but was later released on \$1,000 bond. While Wills is badly wounded in the face, his physicians think his wounds will not prove fatal.

A few suits in Men's and Boy's clothing left, that are very desirable when the matter of prices are taken into consideration.

Mrs. J. W. Williams,
Clay City, Ky.

Letter From an Old Friend.

The editor of this paper is in receipt of a letter from our old schoolmate, friend and cousin, Nathan B. Curtis, of Springfield, Colo. in which he says they are having model weather. He says they had average crops there this year, but complained of a low market for stock. He said all Kentuckians in his parts were well. He paid a high compliment to the TIMES and said he could not do without the paper, as it gave him more news than he wanted to hear than he could collect from all other sources.

Bilious Colic Prevented.

Take a double dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy as soon as the first indication of the disease appears and a threatened attack may be warded off. Hundreds of people who are subject to attacks of bilious colic use the remedy in this way with perfect success. For sale by all dealers in patent medicine.

A glass or two of water taken half an hour before breakfast will usually keep the bowels regular. Harsh cathartics should be avoided. When a purgative is needed, take Chamberlain's Stomach and Liver Tablets. They are mild and gentle in their action. For sale by all dealers in patent medicine.

Santa Claus is Coming Now.

It is only two weeks until Christmas. Santa Claus is now, doubtless, on his way, and the little boys and girls are anxiously awaiting his coming.

A Timely Suggestion.

This is the season of the year when the prudent and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is certain to be needed before the winter is over, and results are much more prompt and satisfactory when it is kept at hand and given as soon as the cold is contracted and before it has become settled in the system. In almost every instance a severe cold may be warded off by taking this remedy freely as soon as the first indication of the cold appears. There is no danger in giving it to children for it contains no harmful substances. It is pleasant to take—both adults and children like it. Buy it and you will get the best. It always cures. For sale by all dealers in patent medicine.

MARRIED.

Mr. Pearl B. Kirk and Miss Mary Lowe were married at the home of the bride's mother, Mrs. Belle Lowe, in this city Tuesday, December 8th, Rev. R. A. Irvin officiating.

How to Prevent Croup.

It will be good news to the mothers of small children to learn that croup can be prevented. The first sign of croup is hoarseness. A day or two before the attack the child becomes hoarse. This is soon followed by a peculiar rough cough. Give Chamberlain's Colic, Cholera and Diarrhoea Remedy freely as soon as the child becomes hoarse, or even after the rough cough appears, and it will dispel all symptoms of croup. In this way all danger and anxiety may be avoided. This remedy is used by many thousands of mothers and has never been known to fail. It is in fact, the only remedy that can always be depended upon and that is pleasant and safe to take. For sale by all dealers in patent medicine.

DIED.

Mrs. Annie Flinchum, wife of Abe Flinchum died in the west end of town last Wednesday after an illness of ten days of pneumonia. Burial Friday at Powell's Valley.

Deceased was about forty years old, and leaves, besides her husband, four children, the youngest of which is only about 18 months old.

BLACK - DRAUGHT STOCK and POULTRY MEDICINE

Stock and poultry have few troubles which are not bowel and liver irregularities. Black-Draught Stock and Poultry Medicine is a bowel and liver remedy for stock. It puts the organs of digestion in a perfect condition. Prominent American breeders and farmers keep their herds and flocks healthy by giving them an occasional dose of Black-Draught Stock and Poultry Medicine in their food. Any stock raiser may buy a 25-cent half-pound air-tight can of this medicine from his dealer and keep his stock in vigorous health for weeks. Dealers generally keep Black-Draught Stock and Poultry Medicine. If yours does not, send 25 cents for a sample can to the manufacturers, The Chattanooga Medicine Co., Chattanooga, Tenn.

ROCHELLE, GA., Jan. 30, 1902.
Black-Draught Stock and Poultry Medicine is the best I ever tried. Our stock was looking bad when you sent me the medicine and now they are getting so fine. They are looking 20 per cent. better.

Have you ever asked yourself, in your quieter moments, "What was the happiest day of my life?" A group of clever and celebrated women have formed a symposium for the December number of the NEW IDEA WOMAN'S MAGAZINE and have given their several experiences during the one happiest day of their lives, and the result is exceedingly interesting. This issue is the Christmas number, and the spirit of the holiday season prevails in its pages.
